
On everyone having a secure home as a human right

Ten thoughts

1 Establish having a secure home as a basic human right

2 Reinvent Council Housing

3 Be secure and safe from the cradle to the grave

4 Create homes we can truly afford

5 Try out new ideas

6 Learn from what's worked before

7 Sort out the housing associations

8 Use our existing homes and powers

9 Work faster and better locally

10 And recognising we're not all the same, work with the people, really
